

The Dance Etc. Dance school Newton, CT has been invited to participate in the education program "Travel the World Performing"!

Dear students and parents

It is my absolute pleasure to let you know that you all have been invited to our educational program "Travel the world performing"! Both of your teachers Jen Turey and Jill Gorrie have travelled and performed in Europe and they know of what a high value it is **to see other countries, learn about other cultures and perform for European audiences.**

During our program the dancers will get to perform three times in a professional environment.

Travel the world performing is not only for dancers, no, **this is an event for the whole family.** We are offering great sightseeing packages, you will learn from local historians about the rich history of the visited cities and sights, and you will have a chance to meet people from another culture.

"Travel the world performing" is a great opportunity to broaden your horizon!

How does this work?

Have a look at the fantastic travel itinerary and if you decide to partake then read and fill out the sign up form and send it along with a check of your first deposit of \$ 200.00 per traveller to Commonground, New York by October 20th 2007.

There is no minimum group size necessary, as long as there are enough dancers to make a performance.

Jen and Jill will plan the performances according to the number of participating dancers.

There will be a parents meeting at the end of October with Wolfgang and Jen and all participating families to answer questions and explain the details of the program.

If you have any questions please call Wolfgang at 212 568 3577 or E-mail us at: contact@commonground-entertainment.com

Auf Wiedersehen in Deutschland
